February 11th 1930

The United Electric Light & Power Company

21 Audubon Avenue

New York City

Gentlemen:

This is to notify you that the firm of Marc Eidlitz & Son, have completed the building which they have been erecting for us, and have turned it over to our charge. From now on bills for electric light service for the entire building are to be forwarded directly to us and we will remit the necessary sums.

Yours very truly,

Secretary.
